Here's a wonderful Soup Recipe we found that's perfect for these Autumn Days.

Roasted Sweet Potato-Apple Soup

3 lbs of Sweet Potatoes
1 Apple (Gravenstein or Granny Smith)
1 Onion
1 stalk Celery
1 Tbl Olive Oil

Wash and poke the sweet potatoes, roast in the oven (375 degrees) for 1 hour until soft. Peel, core, and slice the apple into small slices, Chop the onion into small bits and Slice the celery small.

Heat the oil in a pan and sauté the onion, celery and apple until soft about 10 to 15 minutes. When done halve the potatoes and scoop out the flesh, add it to the sauce pan then add 6 cups of water, 2 teaspoons of salt, and ½ teaspoon of pepper. Cook until heated, about 10 minutes.

Puree the soup with a hand held immersion blender (or use a regular blender in small batches) add water if necessary to desired consistency. Serve Hot or Cold
